Catacombs Resurrection Pack 2

Soloth is the powerful Vampire Lord whose reign casts a shadow on those living above his underground fortress of M'othole. Crops are blighted, harsh winds ignite fires, streams spread plagues, seismic shifts devastate towns and the innocent are corrupted.

Despite overwhelming odds, brave heroes led by her majesty, the Raven Empress, are mustering their remaining fortitude and magic to discover the secret Crypt of Shaurath and end Soloth's reign of destruction.

Dexterity Game System

Elzra

As this campaign takes place before events in the base Catacombs game, one player will control the Raven Empress while the others will choose from the following heroes when assembling the rest of the party:

Resurrection Pack 1		Resurrection Pack 2			Catacombs Base Game		Cavern Exp.
							
Aprill Fire Mage	**Sequolia** Forest Sprite	**Maireya** Raven Empress	**Raisthrim** Ice Mage	**Regulus** Vampire Noble	**Varesh** Wizard	**Marorg** Skeleton Explorer	**Vysara** Sorceress

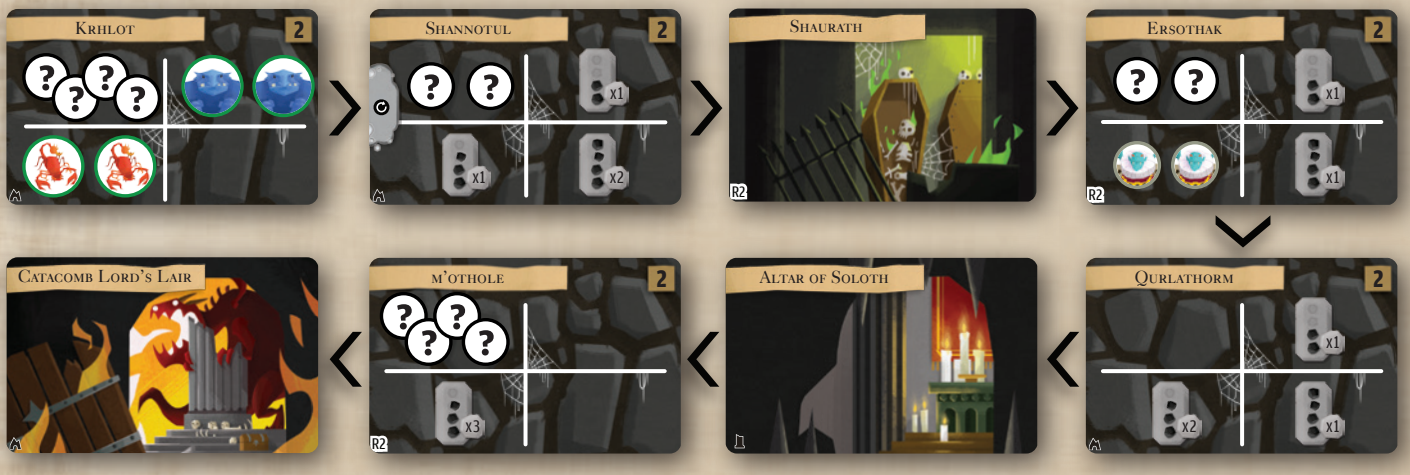

For this campaign, the Raven Empress may start the game with her Raven Leaf Sword item. One of the other heroes in the party may start the game with the Semplara's Amulet item. The Overseer deploys Soloth as the Catacomb Lord.

Shaurath Special Room Card

When searching the ruins of the Shaurath crypt, the heroes discover items to aid them in their quest. Shuffle the deck of item cards and draw two. The players controlling the heroes decide which two members of the party will use each item (normal restrictions apply).

Configure the room cards as shown below. This campaign is very challenging and is recommended for experienced players. If you do not have the Altar of Soloth Special Room card (from the Cavern of Soloth expansion set) you may substitute a random Special Room card from the base Catacombs Third Edition game.
